Property Description

The most spectacular feature of this villa is its impressive living room, with an open layout with three distinct areas, TV area, living room and dining room also joined with the kitchen, large, by a magnificent central island. All the main rooms are connected to the outside, with the pool terrace and the porch to enjoy eating outdoors and watching the sea for practically all the year.

The master bedroom also deserves a special mention, with an en-suite bathroom with double-basin, with bathtub and shower, communicated with the dressing room and the seating area, a design oriented to comfort, that lets in the light and the sun and that allows us to wake up contemplating the sea...
