Property Description

Just outside the centre of Limassol, Yermasoyia villas are a world away from the town's hustle and bustle. This choice development is nestled in the slopes of a lush valley, and the modern villas here boast private gardens with pools. These 3-bedroom homes are situated in a cul-de-sac, offering seclusion.

The residences are a modern reinterpretation of the classical Mediterranean villa. In keeping with the local environment, many natural elements were incorporated into the design. This exquisite development offers unparalleled views of the Cypriot countryside and of the rugged mountain scenery.

Springtime here revives the senses. The air is filled with the scent of citrus blossom and indigenous wild flowers.
